## One for All, All for One

By Harvey D'Souza

**Juliette** (running to Dogtanian excitedly): Dogtanian, the Blue Falcon has captured King Louis!

**Dogtanian:** Quick, we must rescue him from the Blue Falcon. I will call the Three Muskehounds! (*shouting*) Athos, Porthos, Aramis! Come quickly, the Blue Falcon has captured King Louis! (*But the The Three Muskehounds do not appear. Athos, Porthos and Aramis are sitting in a circle, playing with their smartphones.* )

**Juliette:** They are busy with their smartphones. They are playing Candy Crush! .

**Dogtanian:** Hmmmm, I know the best way to call them. Ready?

**Juliette:** Okay!

*(The theme song of the Three Muskehounds begins. The Three Muskehounds stop playing with their smartphones, come running and join in the song)*

**Blue Falcon** (*casually stealing their horses*): This is easy peasy!

**Athos** (*after the singing stops*): What's the matter?

**Dogtanian:** The Blue Falcon has captured King Louis.

**Athos:** Come on, to the rescue!

**Three Muskehounds, Dogtanian and Juliette:** One for all, all for one!

**Porthos:** Where's my horse?

**Aramis:** And my horse?

**Athos:** Our horses have disappeared!

**Dogtanian** (sheepishly): While we were singing the Blue Falcon captured your horses! And he has robbed the queen's jewels!

**Porthos:** Why didn't you stop him?

**Dogtanian:** Well, I couldn't stop singing our song!

**Athos:** Look, there's the Blue Falcon!

**Porthos:** We must catch him now!

**Aramis:** One for all, all for one!

*(The Three Muskehounds, Dogtanian and Juliette surround the Blue Falcon.)*

**Dogtanian:** Surrender, you villain!

**Blue Falcon:** Villains are more exciting than heroes!

**Athos:** Return our horses or we will kill you!

**Blue Falcon:** Villains are not afraid of death!

**Porthos:** Where is the king?

**Juliette:** Where are the Queen's jewels?

**Blue Falcon:** Villains are full of ambition and passion!

**Aramis:** We are five, you are only one!

**Blue Falcon:** Villains are also clever.

**Dogtanian:** Clever? How are you going to fight all five of us?

**Blue Falcon:** There is Me, my sword, and...

**Dogtanian & the Three Muskehounds** *(laughing)*: And what....

**Blue Falcon** : .....and my Nerf gun! *( The Blue Falcon pulls out a Nerf gun!)*

**Dogtanian:** Run! We will all be killed!

*(Blue Falcon chases the Three Muskehounds, Dogtanian and Juliette who run away from him)*

**Blue Falcon:** You will all die heroes!!!

THE END
